

FOR IMMEDIATE RELEASE

**RESOURCES MANAGEMENT CORP SELECTS INDATA'S
iPM EPIC FOR FRONT-TO-BACK OFFICE
DELIVERED VIA iPM CLOUD**

Greenwich, CT, October 21, 2014 - INDATA®, a leading industry provider of software and services for buy-side firms including trade order management (OMS), compliance, portfolio accounting and front-to-back office delivered via iPM Epic® - the industry's first investment management platform specifically designed for the era of big data – today announced that Resources Management Corp, a premier investment advisory firm specializing in superior service and objectives-driven investment management to affluent individuals, families, and institutions, based in West Hartford, CT, has selected INDATA's iPM Epic for their front-to-back office needs delivered via iPM Cloud.

About INDATA®

INDATA is a leading industry provider of software and services for buy-side firms, including trade order management (OMS), compliance, portfolio accounting and front-to-back office delivered via iPM Epic® - the industry's first investment technology platform specifically designed for the era of big data. INDATA's iPM – Intelligent Portfolio Management® technology platform allows end users to efficiently collaborate in real-time across the enterprise and contains the best of class functionality demanded by sophisticated institutional investors. The company's mission is to provide clients with cutting edge technology products and services to increase operational efficiency while reducing risk and administrative overhead.

INDATA provides software and services to a variety of buy-side clients including asset managers, registered investment advisors, banks and wealth management firms, pension funds and hedge funds. Assets under management range from under \$1 billion to more than \$100 billion across a variety of asset classes (i.e. equity, fixed income, etc.) both domestic and international.
